LIMITED EDITION

Only 125 numbered collectibles created.

This year we are selling a small, solid-brass threshing stone mounted on an actual piece of native limestone from the Administration Building.

Pieces #1, #2 and #3 will be auctioned off in front of the Ad Building at 11:57 a.m., Saturday, October 3. #125 will be sold at an anniversary celebration in 2012.

All others are for sale during Fall Fest at a display table in front of the Ad building or the Thresher Bookstore.

Each stone is handcrafted with much Thresher Pride!
