2011-2012 Aid Award Notice Response Sheet

All students must fill out and return this form regardless if they want a loan or not. If you do not want the loan put zero's for the loan amount.

If you have never had a Direct Stafford loan you need to go online to www.studentloans.gov and complete a Direct Loan Application. You will also need to complete an entrance interview at www.studentloans.gov. These 2 things must be done and this Award Response Sheet must be returned to the Financial Aid Office before your loan will be processed.

If you have had a direct loan in the past you just need to return this completed form to us.

Your Student Data Sheet (SDS) reflects the amount you are eligible to borrow per semester. When completing this form use the ANNUAL AMOUNT you want to borrow (double the amount on your SDS). You will receive half of the loan in the fall and the other half in the spring. You may ask for a lesser amount or for no loan at all.

Again, please request the full amount you want for the entire school year!

We must have the signed response sheet in order to process your loan. Please call Tony Graber 316-284-5232 or Karen Garcia 316-284-5233 if you have questions.

STUDENT 11-12 AID AND DIRECT LOAN INFORMATION

Please return this sheet within two weeks from the time you receive your financial aid award notice or Student Data Sheet.
