BY MELVIN GINGERICH AND CORNELIUS KRAHN

(Originally published in the April 1947 issue, vol.2, no. 2, pp. 46-47)
[This version was scanned from a paper copy, March 2007.]

This Mennonite Bibliography is a new feature of *Mennonite Life*. Annually in the April issue we plan to present a list of all significant books, pamphlets, and magazine articles that deal with Mennonites and related groups. Magazine articles will be restricted to non-Mennonite publications, since the historical libraries of Bethel College, North Newton, Kansas; Goshen College, Goshen, Indiana; and Bluffton College, Bluffton, Ohio; keep complete files of all Mennonite periodical publications and are accessible to everyone.

We invite our readers to call our attention to publications falling under the above classification that we may have omitted, in order that we may include them in our next annual bibliography.
