Instructors- Daniel Colwell, Jessica Embach Jankauskas, Janel Harms, Rebecca Schloneger, & Kara Tann

Accompanist– Linda Bergner

**Lessons-**

The Suzuki philosophy involves a special partnership among student, parent and teacher using the techniques of listening, practicing, and performing. Suzuki lessons are offered for violin and viola for students of all ages and levels of skill. All Suzuki lessons are taught at the Academy. Lesson times are determined by the instructor and student.

In addition to private lessons, students participate in a variety of group classes. These classes provide students the opportunity to further refine technique on their instrument, learn ensemble skills, and belong to a community of students that share a common passion.

Our students have numerous and varied types of performances throughout the year. Some of our annual concerts include appearances at Bethel College’s Fall Fest, Solo Recitals, Group Performances in both Newton and Wichita, Holiday Concerts, and a biannual multimedia collaboration with the dance department.

Lessons are offered in 30 minute, 45 minute and 60 minute lessons by our degreed, professional, and Suzuki trained faculty.
**Suzuki Strings Groups**

**Pre Twinkle, Mondays 5:00-5:30 pm**

**Instructor: Kara Tann**

This course is required for beginning violin/viola students. The focus is on reinforcing proper rest position, playing position and technique. Students also benefit from the general music principles covered as well as the social aspects of group.

**Book 1, Tuesdays 4:00 – 4:40 pm**

**Instructor: Jessica Embach Jankauskas**

This course is required students working on repertoire ranging from Go Tell Aunt Rhody through Musette. The focus in this group is to work on basic ensemble skills such as matching bow stroke, intonation, and phrasing. Aural training and fingerboard geography will also be covered.

**Beginning Reading: Tuesdays 4:45 – 5:15 pm**

**Instructor: Janel Harms**

This course is open to students by recommendation of their instructor. The focus of this class is to begin students on their exciting journey of music literacy. We will cover fingerboard geography, introduce written music, and work on reading short pieces. Materials will be provided, but students will need a music stand for home practice.

**Book 2 – 4: Tuesday 5:45 – 6:30 pm**

**Instructor: Jessica Embach Jankauskas**

This course is required for Suzuki students studying repertoire ranging from Musette through the Bach Double. Students will work on tonalization, technique, and build their musicality through the repertoire. In addition, we will continue to refine basic technique reviewing pieces in Book 1. Students will also continue to build their knowledge of music history, composers, and theory in this class.

**Pioneer Strings: Tuesdays 6:30 – 7:30 pm**

**Instructor: Daniel Colwell**

The orchestra is open to students who have successfully completed an audition. Please see your private instructor for audition requirements.

This course is designed to help students become familiar with playing in an orchestra. While students are expected to be able to read music before entering the class, this course teaches note reading in parts, as well as beginning to understand how to listen to other sections for balance and ensemble. Basic theory is covered including: scale and tone centers, basic chord progressions, time signatures and subdivision.

**The Newton Youth Orchestra: Tuesday 7:30 – 8:30 pm**

**Instructor: Daniel Colwell**

This orchestra is open to students who have successfully completed an audition. Please see your private instructor for audition requirements.

This course serves to challenge and improve both the student's technical and ensemble abilities. Before entering this course, students are expected to be comfortable sight-readers at least into 3rd position. Students are trained to communicate with others in the ensemble and understand how their part fits in the whole. Students are also introduced to more advanced theory principles such as chord modulations and syncopated rhythms.
All Kindermusik classes are taught by Kristin Kliewer, licensed Kindermusik educator since 1995, and piano teacher at Bethel College Academy of Performing Arts.

**Our Time (1 1/2 - 3 years)**

Instructor: Kristin Kliewer  
Cost: $140 ($55 At Registration/Home Materials + $85 Tuition)  
Dates: January 22 – April 10 (10 weeks)  
Times: Thursdays, 6:30 – 7:15 pm OR Fridays, 9:45 – 10:30 am

We'll meet many animal characters in our books, activities, and songs—each specifically chosen for a toddler's emerging interests and physical skills. We'll help toddlers develop steady beat and beginning musical skills such as high/low, fast/slow, loud/quiet, smooth/bumpy, & long/short while further developing their ever-emerging language skills. With a special stringed instrument emphasis in the music from class, parents can bring home violin, cello, and orchestra sounds (from classical to bluegrass) to help their toddlers stay happy and engaged learners at home.

**Home Materials:** Double CD featuring songs from class; two interactive storybooks—*This Little Piggy Played the Fiddle* and *Animal Serenade* to develop early literacy skills; Home Activity Book, and a pair of specially designed Fiddlestick instruments, all in a “Rover’s Doghouse” box.

**Young Child Semester 2 (4 - 6 years)**

Age: 4 - 6 years  
Instructor: Kristin Kliewer  
Cost: $205 ($55 at Registration/Home Materials + $150 Tuition)  
Dates: January 8 – April 30 (15 weeks)  
Time: Thursdays 5:00 – 6:00 pm

Playing simple musical patterns and songs on the featured instrument from the first semester—the glockenspiel—is a central focus this semester. While learning to sing a melody, and then play the pattern on the glockenspiel, we'll delve deeper into the understanding of musical concepts such as piano and forte through orchestra-style music such as the William Tell Overture and Peter and the Wolf. Music appreciation and understanding continues with a complete introduction to the instruments—and the families in which they're grouped—of the orchestra. PLEASE NOTE THAT THIS CLASS IS SEMESTER TWO OF FOUR SEQUENTIAL SEMESTERS AND YOU WILL NEED INSTRUCTOR'S PERMISSION TO JOIN US.

**Home Materials:** Children’s Folder with stickers, games bag, and Music At Home Cards, Family Songbook, and Home CD of music from class.
