## ADDITIONAL ONLINE OFFERINGS

Have you considered taking a course or even two this summer? Wondering how you can do it with a job? Bethel College is now part of OCICU (Online Consortium of Independent Colleges and Universities) where all courses are online. These courses appear on your transcript as Bethel College courses. You won't have to send an official transcript from summer work!

Some students cannot always get required classes into their schedule in the fall or spring terms. Examples of classes that students often transfer in from the summer are General Psychology, Sociology, Intermediate or College Algebra, Statistics, etc. OCICU has such courses available to you.

This online option is available to students that have to take a summer course to make up for a class they missed or can't take because they are out of sequence. Other students may need to earn more hours to meet the 24 hrs. needed for NAIA eligibility. You do have to be a self-motivated, organized, committed degree-seeking student that has above a 2.000 CUM GPA.

You may apply to take courses by contacting the Bethel College Registrar, Marcia Miller at 316-284-5285 or [mmiller@bethelks.edu](mailto:mmiller@bethelks.edu)
