ANNUAL REPORT

Bethel
COLLEGE

A NOTE FROM THE PRESIDENT

Thank you for your steadfast support of Bethel College in Fiscal Year 2019. You led us to our highest Bethel College Fund giving in the history of the college! You changed the lives of our students, you made possible the ongoing operations of the college, and you helped us carry out our mission of preparing students for meaningful lives of work and service. I look forward to continued conversation with you about the future of Bethel College.

Jon C. Gruning

You and our other dedicated donors are amazing!

The 2018-19 fiscal year was one to celebrate, thanks to the many alumni and friends of Bethel College. You helped us set an all-time record for gifts received in the Bethel College Fund, at just under our goal of \$1.7 million. That extraordinary financial support resulted in many life-shaping experiences for our students. One 2019 graduate reflected, "My time here at Bethel has allowed me to grow in more ways than I could have imagined. This is all possible because of my close relationship with my professors. I know that they truly care about me and that they want me to have the best education possible."

The 2019-20 fiscal year provides exciting opportunities for growth and change. As we work toward our goal of \$1.734 million for the Bethel College Fund, and make significant progress on the Engage the Future campaign, the Office of Institutional Advancement aims to increase donor retention and our alumni financial participation rate, and to continue building and cultivating relationships with all who support Bethel College.

One change this fiscal year is an update to our giving societies. We have simplified the giving levels recognized and have modified the benefits for these groups. Of particular note is the change in who receives a Bethel College calendar, as well as creation of our Gold Group to encourage younger donors.

Again, thank you for all you do and have done to support Bethel College students who are being prepared for meaningful lives of work and service through faith formation, the liberal arts, and practical experience in career pathways.

I give to Bethel because I believe in the power that community and relationships have to transform people. I believe the unique Bethel context nurtures powerful relationships, and I myself was transformed by the relationships I made at Bethel and the intentional community I found myself a part of there. As a donor, I hope to support Bethel so that it may continue to grow as a place of transformative community.
