	non-Hispanic, White	290	198	68%
	non-Hispanic, non-White	43	26	60%

The above tables include first-time, full-time students who enrolled in the Fall of years 2013-2016. Each sport includes only students who received a scholarship for that sport their first year. The totals are less than the sum of individual sports due to multi-sport athletes. The racial breakdown has been limited to avoid personally identifying students in violation of FERPA.
