# Bethel College COVID-19 Policies and Expectations for Students

The following policies and expectations are meant to guide life at the college for all students (residential and commuter).

- 1. Health and Safety.** The College expects that all members of the Bethel community-students, faculty, staff, and visitors to act in a manner that demonstrates respect and consideration for those around them; including respect and consideration for the health and safety of all Bethel community members. **Students (residential and commuter) are prohibited from creating a health or safety hazard on or off the Bethel College campus.** All students are required to comply with health and safety guidance adopted by the College as it pertains to public health during the COVID-19 pandemic.

**The College expect all student to: participate in COVID-19 testing, download and use the #CampusClear App daily, follow the Bethel College Infectious Disease Color Code Status, wear a facemask, maintain six-foot social distancing, go into isolation or quarantine when required, participate in contact tracing, keep their rooms and social spaces clean, have no outside guests in residence halls, exercise limitations on mass gatherings, and take responsibility for one's actions.**

**Wearing a facemask is determined by the Bethel College Color Code Status on campus. In general, vaccinated individuals do not have to wear a facemask indoors when in a group setting of nine or less people or outdoors. Unvaccinated individuals, are required to wear a facemask when on campus (both indoors and outdoors) at all times.** Try not to make assumptions about an individual's vaccination status if they are wearing a mask, at times vaccinated people may choose to wear a mask in certain situations. Vaccine/COVID shaming is unacceptable and will be considered a form of discrimination and hazing and may be referred to the Student Conduct Process.

**Vaccinated individuals will not be required to quarantine if/when they are deemed a close contact of a COVID- positive individual. Unvaccinated individuals are mandated to quarantine if/when they come into close contact with an individual who tested positive for COVID-19.**

**Random COVID-19 screenings will occur weekly; if/when contacted, the college expects all students to cooperate.**

**If you believe you are showing signs of having COVID -19 and/or you have questions about COVID-19 please send email to: [covid@bethelks.edu](mailto:covid@bethelks.edu)**

**COVID-19 tests are available, if you need a test email: [covid@bethelks.edu](mailto:covid@bethelks.edu).**

**Parties are prohibited in living spaces (on-campus and off-campus).** The College considers a “party” a large gathering of unrelated people in a small space identified and used as a living space. Students identified as having hosted a “party,” may be referred to the Student Conduct Process for investigation. If a student is found responsible for having a “party,” it may lead to suspension or dismissal from the college.

**Residential students are not permitted to have “outside guest(s)” in the residence halls (Haury, Warkentin, and Voth) in support of community health and contact tracing. An “outside guest” is anyone who is not a registered Bethel student. Bethel students both residential and commuter are not considered “guests” and are welcome to visit the residence halls.** Residential students in Haury and Voth who share a room with another should together approve any visitor in their shared space. All residential students who share a room with another are asked to limit occupancy/visitors in the room **to no more than four people** at any time. When there is a visitor(s) in the room, everyone present should consider wearing a facemask and social distance. **Residential students who share a room with another student may consider removing facemasks when there is no visitor in the room.**

**Residential students who live in a single room or share a room or “suite” (in Voth Hall) or “mod” (in Warkentin Court) with others are expected to abide by all of the rules and expectations for living/sharing a space with another.** This includes the importance of: physical distancing, wearing face coverings, use of personal protective equipment (PPE), personal and hand hygiene, and keeping the room (“suite” or “mod”) clean. Students are expected to exercise all means to keep their residence clean. Students who share a space with another are encouraged to maintain open communication with their roommate and discuss if one, both, or everyone (if you live in Warkentin Court or Voth Hall) are not feeling well and agree to report a decline in wellness to the IDMT at [covid@bethelks.edu](mailto:covid@bethelks.edu) or the Campus Clear App if you meet any of the following:

- Have had known exposure to someone diagnosed with COVID-19.
- Have a body temperature greater than 100.4 degrees Fahrenheit.
- Within 14 days of travelling to the locations restricted by the KDHE.
- Cough, Shortness of breath/difficulty breathing
- Sudden or recent loss of smell or taste
- Other signs of illness (headache, sore throat, general aches/pains, fatigue, weakness, extreme exhaustion, nausea, vomiting)

**Residential students who live in Warkentin Court “the mods,”** may have a visitor(s) (other Bethel students) in their shared room; at no time should there be more than three in the room and if one lives in the “box room” no more than two in the room at one time. The maximum occupancy in “the mod” common area **should not exceed a maximum of nine** (meaning no more than the maximum number of students that can live in a “mod”) at one time. Any number above nine people in “the mod” at one time may be considered a party. When visitors are in the shared common space in the mod; it is suggested that everyone consider wearing a facemask and social distance where possible. **The students who live in the “mod” may consider removing their facemask when there are no visitor(s).** All members of the mod, should consider keeping a record of who visited when in support of contact tracing

**2. Adherence. All students (residential and commuter) are expected to follow all health and safety requirements.** This also extends to all aspects of residential life and student life on campus. Including all:

bedrooms, bathrooms, community kitchens, lounges, computer rooms, courtyards, common spaces, and all spaces identified for community use in campus buildings and on campus grounds.

**While it is preferred to obtain a student’s consent prior to the release of protected information in a public health emergency, Bethel College will release protected information if doing so does not cause a negative impact regarding contact tracing and/or treatment. Recognizing the need for such information to promptly be reported during a public health emergency is critical in minimizing the effects of the emergency.**

- 3. Quarantine / Isolation / Separation.** At any time, the Health Department and/or the College may determine a student’s continued presence on-campus and/or in their residential housing presents a health or safety risk for the community and must isolate or quarantine. Residential students are required to comply with requests from the IDMT and/or Office of Student Life leave their assigned space due to COVID-19 or other public health emergency when asked. Failure to do so is a violation of policy and may result in an emergency removal from their assigned space (if living on campus). The College has limited identified residential spaces on campus that are appropriate to use for “isolation” and/or “quarantine.” In situations where a student is mandated to “isolate” and/or “quarantine” in support of community health; students may not be permitted to continue residing in their residential space if determined unsafe in support of community health. If/when determined not safe, residential students who must “isolate” will be provided alternative housing on campus (if available). Student who must “quarantine” may be provided alternative housing (if available). Removal from assigned Bethel housing to “isolate” or “quarantine” does not constitute a termination of a student’s housing requirement with the college (if residential).
- 4. The need to de-densify campus.** Residential students are required to comply with any de-densifying efforts needed on campus due to COVID-19 or other public health emergency, including, but not limited to, the relocation of all or some residential students to alternative housing. Relocation does not constitute the end of a residential student’s housing requirement and may in fact be temporary. In the event the College must relocate students as part of a de-densifying strategy due to public health concerns for an extended period of time and alternative housing is not available, the College will consider offering impacted students’ fair and reasonable reimbursement as appropriate and based on information available at that time.
- 5. Dining Services.** Dining service, including where and how it will be offered to students (residential and commuter) is subject to the discretion of the College and/or the contracted Dining services to provide modifications to address public health concerns. Due to health and safety guidance adopted by the College, Dining Services (at the request of the College) may limit the occupancy of The Caf at any time, limit the amount of time students may reside within The Caf at any time, and/or make other operational adjustments needed to address health and safety concerns in support of community health.
- 6. Cleaning.** The College will implement and/or modify its cleaning protocols to address COVID-19 or other public health emergency in the interest of minimizing the spread of disease. The IDMT and/or the Office of Student Life will educate and inform all students (residential and commuter) about appropriate cleaning protocols to use within their living spaces and/or when using spaces intended for community use on campus in effort to reduce potential spread of COVID-19. It is of great importance that students abide and follow the cleaning requirements for the health and safety of community.

7. **Rescind Housing.** The College reserves the right to rescind housing available to students due to public health emergency needs, including COVID-19 pandemic. In the event the College rescinds housing availability due to public health concerns, the College may offer fair and reasonable reimbursements to students impacted as appropriate and based on information available at that time.
  
8. **Compliance.** All students (residential and commuter) are expected to comply and follow all of the policies and expectations outlined in the Bethel College COVID-19 Policies and Expectations for Students. Student identified as possibly “not complying,” will be referred to the Student Conduct Process and expected to participate in an “Investigative Meeting” with intent to come to a resolution (formal or informal). If a student is found responsible of “not complying;” sanctions may be provided along with the opportunity to appeal the decision. **A maximum of three formal warnings will be provided to student identifies as “not complying.”** After three formal warnings, students found responsible for “not complying” may result in immediate suspension or dismissal. A single act against community health determined to be excessive and egregious may result in an immediate response including and not limited to suspension and/or dismissal from the college during the investigation period. A final recommendation at the end of the investigation will be made.

# ACADEMIC PROGRAM

## STRUCTURE AND PURPOSES

As a Bethel College Thresher, you will be welcomed with open hearts into a multi-faceted learning community that stimulates personal and spiritual discovery and inspire the leaders of tomorrow. At the heart of this enterprise lies the academic program. The daily teaching and learning of the Bethel community is the primary means of attaining our ultimate mission: to prepare you to be an intellectual, cultural and spiritual leader for church and society.

Our commitment to inspire personal and community growth is present in Bethel College's core academic program, our one-of-a-kind educational experience called the Common Ground curriculum. In this shared liberal arts experience, you have a wide range of individual choices balanced with the maintenance of a learning community. First-Year Seminar, Basic Issues of Faith and Life and Convocation bring all students together in common educational experiences. The Common Ground curriculum is also infused with courses in peace, justice and conflict studies, cross-cultural learning, and opportunities for undergraduate research and experiential learning. Bible and religion courses help to enhance your ethical perspectives, inspire service and integrate intellectual and spiritual values. Through your Common Ground courses, you will also gain a broad understanding of the social and natural world and develop foundational capacities in basic academic skills.

At the heart of the academic program lies a powerful sense of purpose. In the words of John Cardinal Newman, writing in *The Idea of a University*: "If a liberal education be good, it must necessarily be useful, too." While the Common Ground curriculum certainly nurtures you for life beyond the classroom, focused study in a major field further stimulates your intellectual achievement and lays the groundwork for your vocational success. Some programs, like Bible and religion or peace, justice and conflict studies, reflect a theologically distinctive idea of educational purpose. Others, like education, nursing and social work, are consonant equally with the values of service and licensure for a specific profession. Many departmental or divisional programs are deliberately integrative and interdisciplinary as well, and the availability of an Individualized Major enables students with special interests and career aspirations to design an individualized course of study.

Finally, the academic program of Bethel College aims at high achievement, believing that the ultimate goal of leadership demands more of you than self-fulfillment or passive citizenship. Bethel expects that the qualities of creativity, discipline and intellectual stewardship infused throughout the academic experience will manifest themselves in academic achievement of a high order, both at Bethel College and in your career after you graduate.

## A CAMPUS COMMUNITY

Taking advantage of its size, Bethel finds a wide range of ways to celebrate as an educational community of shared values. Such a community permits one to be known by name and to acquire a network of friends that will last a lifetime. Here students and faculty fraternize with persons in other disciplines and departments, have ownership in campus governance and activities and are accountable as members of the community for others and for themselves. To accomplish these ends the student is encouraged to establish self-identity, to explore and

personalize relationships, to develop bridges of acceptance between athletes and non-athletes and between races and cultures. Residence hall life, student services, counseling and student development models are designed for the balanced nurture and growth of the whole person.

# CAMPUS ACTIVITIES AND INVOLVEMENT OPPORTUNITIES

## CAMPUS MINISTRIES

At Bethel College, we try to ensure and encourage an open and accepting faith environment for all students. Encouraging the expression of all faith backgrounds, preferences, beliefs and practices contributes to a rich and dynamic spiritual life on campus. As students learn to respect and listen to others who are different, they are stretched and challenged in positive ways that strengthen and broaden their own faith and spiritual life. This is, after all, what attending a Christian liberal arts college is all about!

Indeed, one of the best things about Bethel College is that students have a great deal of freedom to shape their own experience. This is also the case with Campus Ministries. Listed below are examples of campus ministries activities that have been in place in recent years. Whether those same activities will take place this year depends in no small part on you! The only activities that have a pre-set place and time are weekly Chapels, Bethel Worship Center (BWC) and Vocation Seminar (which is a 1-hour credit course). All the others are open to your counsel and shaping.

- Weekly chapel—11-11:40 a.m., Wednesdays (locations will vary to provide distancing)
- Vocation Seminar—5:30-7 p.m., every other Monday, Student Center
- Centering Prayer
- Bethel Worship Center (on campus Sunday morning worship)
- Bible studies: TBD
- Small groups
- Fellowship of Christian Athletes
- Informal worship
- Hymn sing

Bethel College's Campus Ministry traditions also include the Lighting of the Green (a special Advent service) and 24 Hours of Prayer.

The Agape Center in Richert House is located at 2611 College Avenue (next to the Fine Arts Center). This home provides a possible venue for many of the activities listed above, and many others yet to be birthed. There is a fully functional kitchen in the house, which opens up a range of possibilities for fellowship meals, snacks for Bible studies, etc. Care for your spiritual self as you begin this adventure in higher education! Michael Unruh, campus pastor, leads a team of student chaplains who will be available in the residence halls and will give leadership in ministry in a variety of ways. You may contact Michael at [munruh@bethelks.edu](mailto:munruh@bethelks.edu).

## DIVERSITY COUNCIL

The Diversity Council is the multicultural programming arm of the Student Government Association Executive Branch, led by the Secretary of Diversity Affairs. The council hosts events that stimulate the culture and experiences of various backgrounds on campus, from political to religious, to racial differences. The council is responsible for programming during the various awareness months and heritage months, and advocating for a safe and inclusive campus.

## FALL FESTIVAL

Since fall 1971, Bethel has held an annual Fall Festival on an extended weekend in early October (or late September). It is a “homecoming” for Bethel alumni and a time of fun for students and the community. Featuring entertainment, food that includes Mennonite ethnic treats, booths hosted by student clubs, arts and crafts, alumni reunions, lectures, children’s activities, sports and worship, it is one of the largest festival events held in the Newton area each year. Since fall 1987, the city of Newton and Bethel have cooperated to kick off Fall Fest on Thursday with Taste of Newton. More than 5,000 people come downtown and to campus to enjoy an array of activities Thursday through Sunday. No classes are held Friday afternoon. Most people come Saturday for the large, one-day fair on campus. **Plan are underway to support Fall Festival 2021 return to an in-person event. Due to the ongoing COVID-19 pandemic; the span and scope of campus grounds used will be increased to support social distancing. Signs placed around campus will outline all protocols and expectations in support of safety and community health.**

## FORENSICS

Bethel has a strong individual events team which competes in tournaments all over the Midwest. If you have interests in competitive forensics, contact the department of Communications Arts.

## INTERCOLLEGIATE ATHLETICS

Bethel College is a member of the National Association for Intercollegiate Athletics (NAIA) of the Kansas College Athletic Conference (KCAC). Other KCAC members are Bethany College, Friends University, Kansas Wesleyan University, McPherson College, Oklahoma Wesleyan University, Ottawa University, Southwestern College, Sterling College, Tabor College, University of St. Mary and York College.

Bethel men compete in football, basketball, tennis, cross country, track, golf, cheer, and soccer. Bethel women compete in volleyball, tennis, basketball, cross country, track, soccer, cheer, and softball.

## INTRAMURAL SPORTS

Intramurals are very popular all year long. Some of the competitive sports are: badminton, basketball, wiffleball, flag football, tennis, and volleyball. The intramural program also sponsors health and fitness activities throughout the year.

## LECTURE SERIES

Watch campus e-mail and take note of Convocation announcements regarding lecture series such as Menno Simons Lectures, Staley Distinguished Christian Scholar Lectures, Bible Lectures, Peace Lectures, Greer Distinguished Artist presentations, etc.

## **MUSIC**

Musical ensembles include Concert Choir, Men's Ensemble, Women's Chorus, Jazz Ensembles I and II, Jazz Combos, Philharmonic Orchestra, Wind Ensemble, and various small vocal and instrumental groups. Many non-majors participate along with music majors in concerts and recitals throughout the year. Plan to audition for a music group at the beginning of the year! Interested in private lessons? Call Ext. 316 for more information.

## **RADIO STATION**

KBCU is a student-operated, community supported, non-commercial educational radio station serving the Newton / North Newton area. The primary function of KBCU is to educate students in the art, technology, and business of radio broadcasting. Opportunities for participation are available in areas such as on-air DJ, production, sports broadcasting, engineering, and station management. KBCU broadcasts locally at 88.1 MHz on the FM dial and world-wide on the Internet from <http://www.bethelks.edu/kbcu>. If you are interested in participating in KBCU talk to your advisor about the Radio Practicum course or contact Daniel Klassen KBCU General Manager.

## **STUDENT ACTIVITIES COUNCIL (SAC)**

The Student Activities Council (SAC) is the programming arm of the Student Government Association Executive Branch, led by the Secretary of Student Activities. It is the campus programming board responsible for campus events and entertainment. SAC plans and produces activities for the entire campus, some examples include: Welcome Week, Winter Week, Spring Fling, the Bubberts Awards and much more. SAC provides a variety of social and informative activities for students during the school year to promote community and Bethel College spirit. All students are welcome to join the SAC or attend a meeting. For information on meetings or how to become involved, contact: [sga@bethelks.edu](mailto:sga@bethelks.edu)

## **STUDENT ALUMNI ASSOCIATION**

Members of the Student Alumni Association (SAA) assist the Office of Alumni Relations and the Alumni Association with various alumni-related projects and events, while honing leadership and organizational skills – for example, booths at Taste of Newton and Fall Fest, President's Office socials, Mudslam Volleyball and a senior party. There are also opportunities to assist with the fundraising phonathon. Students who have been at Bethel a year can be nominated by faculty, staff, alumni or the SAA executive committee. SAA is a great way to network with alumni and serve the college. If interested, contact the Advancement Office, located on the main level of the Administration Building.

## **STUDENT EMPLOYMENT**

Begin building your resume – and your reference list – just steps away from your residence hall.

Establish a work history as the reliable, capable employee your future boss wants on their team.

On-campus employment often offers the flexibility of working around your class schedule as well as the potential to build experience in your preferred line of work. Your positive working relationship with your campus supervisor can yield positive references when you apply for jobs post-graduation.

View and apply for on-campus jobs here: <https://www.bethelks.edu/success/career-leadership/student-employment>

If you secure an on-campus job, you will need to complete the I-9, W-4, and K-4 before you begin working in order to be included on payroll. Be sure to have unexpired, original forms of ID (ex. Passport, or driver's license and social security card).

Boost your resume and possibly your pocketbook. Contact [Megan Kershner](#) or stop by the Career & Leadership Development Office (CLDO) Will Academic Center #215.

## **STUDENT GOVERNMENT ASSOCIATION (SGA)**

Elections for representatives to the Student Government Association (SGA) may take place in the spring for returning students, and in the early fall for incoming freshmen. The SGA at Bethel College provides an excellent opportunity for student involvement. In many ways, it is modeled after the U.S. government, in that it divides power among executive, legislative and judicial branches. The SGA functions independently of the college administration, though it does not assume an adversarial relationship.

The executive branch is composed of the student body president, student body vice president, chief of staff, secretary of diversity affairs, secretary of student activities and secretary of public relations. The SGA Senate is composed of three senators from each class, two commuter senators and three at-large senators. The SGA Judicial Branch is composed on one student body chief justice and four associate justices, all of whom are appointed by the student body president and confirmed by the SGA Senate.

General elections for freshman senators take place in the fall. All other offices are elected in the spring. All full-time students may vote and all full-time students having adequately circulated a petition of candidacy and maintaining a 2.5 GPA may run for office. Appointed positions are filled by the student body president and confirmed by the SGA Senate. Appointments are generally made in May, but may be made as needed throughout the year.

## **STUDENT ORGANIZATIONS**

Getting involved in an activity outside the classroom adds to the student experience. Student organizations also allow students to take part in a subject or activity of interest, and get to know other students. Near the beginning of each school year, the Department of Student Activities and Engagement hosts the *Student Involvement Fair* to familiarize new and returning students with the variety of student organizations offered. Student Government statutes require that all student organizations allow membership to any student interested in their subject area. For information on how to become involved, please contact the Student Life office located in the lower level of the Administration Building.

## **STUDENT PUBLICATION**

By SGA statutes, Bethel College students provides financial support to the student run newspaper, *The Collegian*. **HOST FAMILY PROGRAM**

Host Families are made up of community members who desire to know more about Bethel College multicultural students, international students and students whose homes are outside of the state of Kansas. Bethel recognizes the importance of matching students with a family with whom they are comfortable. Host Families are in regular contact with students, and sharing activities together as a popular way of learning about each other. Local Host Families provide students the feel of a home away from home. Some invite students into their homes for a meal, provide opportunities to periodically get away from campus on weekends, and welcome students' families when visiting at Bethel. During the COVID-19 pandemic, Host Families are encouraged to break away from some of the traditional activities in their homes and explore opportunities to connect that utilize social distancing, wearing of face masks and other measures in support of community health. The COVID-19 protocols and expectations are outlined in both the Host Families and students' applications. It is very important that the activities shared depend on the interests of both the Host Family and the student. Many students develop relationships with their host families that last for years after they graduate. Applications can be picked up in the Student Life Office or found at <https://www.bethelks.edu/student-life/services/host-family-program>.

Kauffman Museum provides both academic and social opportunities for Bethel students. The museum's collections and tallgrass prairie reconstructions offer laboratories for exploration via undergraduate research projects. Course curriculums and internships introduce students to methods of investigation and modes of inquiry utilizing material culture and natural history artifacts. # COMMUNITY STANDARDS AND POLICIES

Bethel College is a community of individuals sharing the goals and values related to a liberal arts education and a Christian understanding of life rooted in the Anabaptist Mennonite heritage. We welcome and embrace the rich diversity students, faculty and staff from many traditions, backgrounds and cultures bring to the campus. We expect all members of the community to affirm and strive toward the goals of Bethel College and to maintain a relationship of trust with each other.

We believe the highest standards of personal conduct are contained in the teachings of Jesus Christ, and guided by these teachings we strive to be a community whose members are responsible to each other in the following ways:

- to seek the health, growth and development of self and others;
- to guard the dignity and worth, and to promote the equality and empowerment, of self and others;
- to be honest and trustworthy;
- to help maintain the order, peace and privacy people need for rest, study and reflection;
- to value volunteerism and participate in service to others;
- to work through conflicts without force, intimidation or retreat;
- to promote relationships that are free from sexual discrimination, sexual coercion, exploitation and abuse;
- to keep the environment safe and clean;
- to nurture the spiritual awareness and development of self and others.

Any behavior that jeopardizes the rights or safety of others or places oneself at risk is subject to institutional intervention.

For information on Bethel College's Academic Policies and Procedures, please refer to the course catalog, available here: [www.bethelks.edu/academics/registrar-office/catalog/](http://www.bethelks.edu/academics/registrar-office/catalog/)

## **THE BYSTANDER EFFECT**

The “bystander effect” is a reference to situations in which witnesses or people who are aware of dangerous or emergency situations do not offer assistance to someone in need. Research suggests that the more bystanders present, the less likely it is that any of them will help. Bethel College encourages people who witness or are aware of dangerous or emergency situations to call for help. These reports can be made anonymously, and the college’s Good Samaritan Policy might also apply.

## **GOOD SAMARITAN POLICY**

The intent of the Good Samaritan Policy is to empower students to report concern for others who are in danger of any kind, including but not limited to: alcohol or other substance abuse; bullying; physical violence; emotional abuse; sexual harassment; or sexual violence/assault.

It is consistent with the mission, ethics and values of Bethel College to encourage persons to help their neighbors. As such, concern for consequences for violations of Bethel College community standards and/or policies should not keep anyone from offering assistance to someone in need. Individuals are specifically urged to call for medical assistance for anyone they fear is dangerously intoxicated, without fear of reprisal for the situation in which the student gives assistance.

Students seeking medical treatment for alcohol or other drug-related overdose, or students assisting another student in obtaining such medical treatment, will not be subject to the Bethel College conduct process for the sole violation of using alcohol or drugs or for providing alcohol or drugs to the student they have assisted. Students treated for alcohol poisoning or other drug intoxication will be required to meet with the vice president for student life and/or other members of the Bethel College community. This policy refers to isolated incidents and does not excuse or protect those who repeatedly violate Community Standards and/or policies.

Bethel College recommends anyone who is seriously injured, the victim of abuse or violence, or concerned about a specific threat/risk of someone being victimized physically, emotionally, mentally or sexually, to contact local law enforcement by dialing 911.

## **ANONYMOUS REPORTING**

To further emphasize the importance of reporting incidents and initiating response efforts, Bethel College has instituted a system of anonymous reporting, allowing individuals to submit a report and protect their identity. Anonymous reports can be made via hand-written or typed notes sent to Student Life, anonymous telephone calls made to 316-284-5324, and via the online Student Life Concern Form

<https://www.bethelks.edu/form/student-life-concern>. Information submitted via the online Student Life Concern Form will be sent to Student Life staff without identifying the sender unless the sender chooses to be identified.

## **THREAT ASSESSMENT**

Bethel College is committed to providing a physically, mentally and emotionally safe learning and working environment for all students, faculty and staff. To that end, the college may exercise the Bethel College Threat Assessment Policy when:

1. facing conduct, extraordinary discipline and/or safety issues which may present a clear and present danger, and/or
2. Determining if a student has the tools or necessary resources to be a productive member of the campus community.

The results of the Threat Assessment process may or may not result in student conduct action. The full Threat Assessment Policy can be found at [https://connect.bethelks.edu/ICS/icsfs/Direct\\_Threat\\_Assessment\\_Policy-1.pdf?target=0bacefe5-08d5-439e-9e45-f1f2d55e6457](https://connect.bethelks.edu/ICS/icsfs/Direct_Threat_Assessment_Policy-1.pdf?target=0bacefe5-08d5-439e-9e45-f1f2d55e6457).

## **21. HARASSMENT, DISCRIMINATION, AND SEXUAL ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE, STALKING, RETALIATION, & OTHER CIVIL RIGHTS OFFENSES**

As a recipient of federal financial assistance for education activities, Bethel College is required by Title IX of the Education Amendments of 1972 to ensure that all of its education programs and activities do not discriminate on the basis of sex/gender. Sex includes sex, sex stereotypes, gender identity, gender expression, sexual orientation, and pregnancy or parenting status.

Bethel College also prohibits retaliation against any person opposing discrimination or participating in any discrimination investigation or complaint process internal or external to the institution. Sexual harassment, sexual assault, dating and domestic violence, and stalking are forms of sex discrimination, which are prohibited under Title IX and by College policy.

Any member of the campus community, guest, or visitor who acts to deny, deprive, or limit the educational, employment, residential, or social access, opportunities and/or benefits of any member of the Bethel College community on the basis of sex is in violation of the Bethel College Equal Opportunity, Harassment, and Non-discrimination Policy & Procedures.

Any person may report sex discrimination (whether or not the person reporting is the person alleged to have experienced the conduct), in person, by mail, by telephone, by video, or by email, using the contact information listed for the Title IX Coordinator (below). A report may be made at any time (including during non-business hours) by email to [TitleIXCoordinator@bethelks.edu](mailto:TitleIXCoordinator@bethelks.edu).

Questions regarding Title IX, including its application and/or concerns about noncompliance, should be directed to the Title IX Coordinator. For a complete copy of the Equal Opportunity, Harassment, & Non-Discrimination Policy and Procedures or for more information, please visit <https://www.bethelks.edu/about/consumer-information/nondiscrimination-statement> or contact the Title IX Coordinator.

Individuals who believe they have experienced discrimination (including sex discrimination), harassment, and/or retaliation in violation of College policy should contact the following:

Bethel College sets expectations of conduct and imposes responses for students, faculty, staff, and campus visitors who fail to meet those standards through its Equal Opportunity, Harassment, & Non-Discrimination Policy and Procedures.

Students, staff, administrators, and faculty are entitled to an employment and educational environment that is free of discriminatory harassment. Bethel College policy is not meant to inhibit or prohibit educational content or discussions inside or outside of the classroom that include germane but controversial or sensitive subject matters protected by academic freedom.

The Equal Opportunity, Harassment, & Non-Discrimination Policy and Procedures apply to the education program and activities of Bethel College, to conduct that takes place on the campus or on property owned or controlled by Bethel College, at Bethel College-sponsored events, or in buildings owned or controlled by Bethel College's recognized student organizations. The Respondent must be a member of Bethel College's community in order for its policies to apply.

This policy can also be applicable to the effects of off-campus misconduct that effectively deprive someone of access to Bethel College's educational program. Bethel College may also extend jurisdiction to off-campus and/or to online conduct when the Title IX Coordinator determines that the conduct affects a substantial Bethel College interest.

Regardless of where the conduct occurred, Bethel College will address notice/complaints to determine whether the conduct occurred in the context of its employment or educational program or activity and/or has continuing effects on campus or in an off-campus sponsored program or activity. A substantial Bethel College interest includes:

- 1) Any action that constitutes a criminal offense as defined by law. This includes, but is not limited to, single or repeat violations of any local, state, or federal law;
- 2) Any situation in which it is determined that the Respondent poses an immediate threat to the physical health or safety of any student or other individual;
- 3) Any situation that significantly impinges upon the rights, property, or achievements of oneself or others or significantly breaches the peace and/or causes social disorder; and/or
- 4) Any situation that is detrimental to the educational interests or mission of Bethel College.

If the Respondent is unknown or is not a member of the Bethel College community, the Title IX Coordinator will assist the Complainant in identifying appropriate campus and local resources and support options and/or, when criminal conduct is alleged, in contacting local law enforcement if the individual would like to file a police report.

Further, even when the Respondent is not a member of the Bethel College's community, supportive measures, remedies, and resources may be accessible to the Complainant by contacting the Title IX Coordinator.

In addition, Bethel College may take other actions as appropriate to protect the Complainant against third parties, such as barring individuals from Bethel College property and/or events.

When the Respondent is enrolled in or employed by another institution, the Title IX Coordinator can assist the Complainant in liaising with the appropriate individual at that institution, as it may be possible to allege violations through that institution's policies.

Similarly, the Title IX Coordinator may be able to assist and support a student or employee Complainant who experiences discrimination in an externship, study abroad program, or other environment external to Bethel College where sexual harassment or nondiscrimination policies and procedures of the facilitating or host organization may give recourse to the Complainant.

There is no time limitation on providing notice/complaints to the Title IX Coordinator. However, if the Respondent is no longer subject to Bethel College's jurisdiction and/or significant time has passed, the ability to investigate, respond, and provide remedies may be more limited or impossible.

Acting on notice/complaints significantly impacted by the passage of time (including, but not limited to, the rescission or revision of policy) is at the discretion of the Title IX Coordinator, who may document allegations for future reference, offer supportive measures and/or remedies, and/or engage in informal or formal action, as appropriate.

The Bethel College Equal Opportunity, Harassment, & Non-Discrimination Policy and Procedures is written and interpreted broadly to include online manifestations of any of the behaviors prohibited below, when those behaviors occur in or have an effect on Bethel College's education program and activities or use Bethel College networks, technology, or equipment.

Although Bethel College may not control websites, social media, and other venues in which harassing communications are made, when such communications are reported to Bethel College, it will engage in a variety of means to address and mitigate the effects.

Members of the community are encouraged to be good digital citizens and to refrain from online misconduct, such as feeding anonymous gossip sites, sharing inappropriate content via social media, unwelcome sexual or sex-based messaging, distributing or threatening to distribute revenge pornography, breaches of privacy, or otherwise using the ease of transmission and/or anonymity of the Internet or other technology to harm another member of the Bethel College community.

Any online posting or other electronic communication by students, including cyber-bullying, cyber-stalking, cyber-harassment, etc., occurring completely outside of Bethel College's control (e.g., not on Bethel College networks, websites, or between Bethel College email accounts) will only be subject to this policy when such online conduct can be shown to cause a substantial in-program disruption or infringement on the rights of others.

Otherwise, such communications are considered speech protected by the First Amendment. Supportive measures for Complainants will be provided, but protected speech cannot legally be subjected to discipline.

Off-campus harassing speech by employees, whether online or in person, may be regulated by the Bethel College only when such speech is made in an employee's official or work-related capacity.

While the full-text of the Equal Opportunity, Harassment & Non-Discrimination Policy and Procedures are applicable to—and therefore should be reviewed by—all members of the campus community, the definitions below are included in this Handbook as a reminder of prohibited conduct. For further information, resources, and rights and options regarding harassment, discrimination, and sexual misconduct, please visit the Bethel College website.

The sections below describe the specific forms of legally prohibited harassment that are also prohibited under Bethel College policy. When speech or conduct is protected by academic freedom and/or the First Amendment, it will not be considered a violation of Bethel College policy, though supportive measures will be offered to those impacted. All policies encompass actual and/or attempted offenses.

## A. Discriminatory Harassment

Discriminatory harassment constitutes a form of discrimination that is prohibited by Bethel College policy. Discriminatory harassment is defined as unwelcome conduct by any member or group of the community on the basis of actual or perceived membership in a class protected by policy or law.

Bethel College does not tolerate discriminatory harassment of any employee, student, visitor, or guest. Bethel College will act to remedy all forms of harassment when reported, whether or not the harassment rises to the level of creating a “hostile environment.”

A hostile environment is one that unreasonably interferes with, limits, or effectively denies an individual’s educational or employment access, benefits, or opportunities.<sup>1</sup> This discriminatory effect results from harassing verbal, written, graphic, or physical conduct that is severe or pervasive *and* objectively offensive.

When discriminatory harassment rises to the level of creating a hostile environment, Bethel College may also impose sanctions on the Respondent through application of the appropriate grievance process below.

Bethel College reserves the right to address offensive conduct and/or harassment that 1) does not rise to the level of creating a hostile environment, or 2) that is of a generic nature and not based on a protected status. Addressing such conduct will not result in the imposition of discipline under Bethel College policy, but may be addressed through respectful conversation, remedial actions, education, effective Alternate Resolution, and/or other informal resolution mechanisms.

For assistance with Alternate Resolution and other informal resolution techniques and approaches, employees should contact the Director of Human Resources & Compliance, and students should contact the Vice President of Student Life.

## B. Sexual Harassment

The Department of Education’s Office for Civil Rights (OCR), the Equal Employment Opportunity Commission (EEOC), and the State of Kansas regard Sexual Harassment, a specific form of discriminatory harassment, as an unlawful discriminatory practice.

Bethel College has adopted the following definition of Sexual Harassment in order to address the unique environment of an academic community.

Acts of sexual harassment may be committed by any person upon any other person, regardless of the sex, sexual orientation, and/or gender identity of those involved.

---

<sup>1</sup> This definition of hostile environment is based on Federal Register / Vol. 59, No. 47 / Thursday, March 10, 1994: [Department of Education Office for Civil Rights, Racial Incidents and Harassment Against Students At Educational Institutions; Investigative Guidance](#).

Sexual Harassment, as an umbrella category, includes the offenses of sexual harassment, sexual assault, domestic violence, dating violence, and stalking, and is defined as:

Conduct on the basis of sex/gender or that is sexual that satisfies one or more of the following:

- 1) *Quid Pro Quo*:
  - a. an employee of Bethel College,
  - b. conditions<sup>2</sup> the provision of an aid, benefit, or service of Bethel College,
  - c. on an individual's participation in unwelcome sexual conduct.
  
- 2) Sexual Harassment:
  - a. unwelcome conduct,
  - b. determined by a reasonable person,
  - c. to be so severe, and
  - d. pervasive, and,
  - e. objectively offensive,
  - f. that it effectively denies a person equal access to Bethel College's education program or activity.

Unwelcomeness is subjective and determined by the Complainant (except when the Complainant is younger than the age of consent). Severity, pervasiveness, and objective offensiveness are evaluated based on the totality of the circumstances from the perspective of a reasonable person in the same or similar circumstances ("in the shoes of the Complainant"), including the context in which the alleged incident occurred and any similar, previous patterns that may be evidenced.

- 3) Sexual assault, defined as:
  - a. Sex Offenses, Forcible:

---

<sup>2</sup> Implicitly or explicitly.

- Any sexual act<sup>3</sup> directed against another person<sup>4</sup>,
- without the consent of the Complainant,
- including instances in which the Complainant is incapable of giving consent.<sup>5</sup>

b. Sex Offenses, Non-forcible:

i. Incest:

- Non-forcible sexual intercourse,
- between persons who are related to each other,
- within the degrees wherein marriage is prohibited by Kansas law.

ii. Statutory Rape:

- Non-forcible sexual intercourse,
- with a person who is under the statutory age of consent of 16.<sup>6</sup>

4) Dating Violence, defined as:

- a. violence,
- b. on the basis of sex,

---

<sup>3</sup> A ‘sexual act’ is specifically defined by federal regulations to include one or more of the following:

Forcible Rape:

- Penetration,
- no matter how slight,
- of the vagina or anus with any body part or object, or
- oral penetration by a sex organ of another person,
- without the consent of the Complainant.

Forcible Sodomy:

- Oral or anal sexual intercourse with another person,
- forcibly,
- and/or against that person’s will (non-consensually), or
- not forcibly or against the person’s will in instances in which the Complainant is incapable of giving consent because of age<sup>#</sup> or because of temporary or permanent mental or physical incapacity.

Sexual Assault with an Object:

- The use of an object or instrument to penetrate,
- however slightly,
- the genital or anal opening of the body of another person,
- forcibly,
- and/or against that person’s will (non-consensually),
- or not forcibly or against the person’s will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

Forcible Fondling:

- The touching of the private body parts of another person (buttocks, groin, breasts),
- for the purpose of sexual gratification,
- forcibly,
- and/or against that person’s will (non-consensually),
- or not forcibly or against the person’s will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

<sup>4</sup> This would include having another person touch you sexually, forcibly, or without their consent.

<sup>5</sup> This definition set is not taken verbatim from SRS/NIBRS. Bethel College, in coordination with ATIXA, has substituted Complainant for “victim,” has removed references to his/her throughout, has defined “private body parts,” has removed the confusing and unnecessary term “unlawfully,” and has inserted language clarifying that Bethel College interprets “against the person’s will” to mean “non-consensually.”

<sup>6</sup> K.S.A. 21-5506; 5507

- c. committed by a person,
- d. who is in or has been in a social relationship of a romantic or intimate nature with the Complainant.

The existence of such a relationship shall be determined based on the Complainant's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition—

- Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
- Dating violence does not include acts covered under the definition of domestic violence.

5) Domestic Violence, defined as:

- a. violence,
- b. on the basis of sex,
- c. committed by a current or former spouse or intimate partner of the Complainant,
- d. by a person with whom the Complainant shares a child in common, or
- e. by a person who is cohabitating with, or has cohabitated with, the Complainant as a spouse or intimate partner, or
- f. by a person similarly situated to a spouse of the Complainant under the domestic or family violence laws of Kansas, or
- g. by any other person against an adult or youth Complainant who is protected from that person's acts under the domestic or family violence laws of Kansas.

To categorize an incident as Domestic Violence, the relationship between the Respondent and the Complainant must be more than just two people living together as roommates. The people cohabitating must be current or former spouses or have an intimate relationship.

6) Stalking, defined as:

- a. engaging in a course of conduct,
- b. on the basis of sex,
- c. directed at a specific person, that
  - i. would cause a reasonable person to fear for the person's safety, or
  - ii. the safety of others; or
  - iii. Suffer substantial emotional distress.

For the purposes of this definition—

- Course of conduct means two or more acts, including, but not limited to, acts in which the Respondent directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.
- Reasonable person means a reasonable person under similar circumstances and with similar identities to the Complainant.
- Substantial emotional distress means significant mental suffering or anguish that may but does not necessarily require medical or other professional treatment or counseling.

### C. Force, Coercion, Consent, and Incapacitation<sup>7</sup>

As used in the offenses above, the following definitions and understandings apply:

**Force:** Force is the use of physical violence and/or physical imposition to gain sexual access. Force also includes threats, intimidation (implied threats), and coercion that is intended to overcome resistance or produce consent (e.g., “Have sex with me or I’ll hit you,” “Okay, don’t hit me, I’ll do what you want.”).

Sexual activity that is forced is, by definition, non-consensual, but non-consensual sexual activity is not necessarily forced. Silence or the absence of resistance alone is not consent. Consent is not demonstrated by the absence of resistance. While resistance is not required or necessary, it is a clear demonstration of non-consent.

**Coercion:** Coercion is unreasonable pressure for sexual activity. Coercive conduct differs from seductive conduct based on factors such as the type and/or extent of the pressure used to obtain consent. When someone makes clear that they do not want to engage in certain sexual activity, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

**Consent is:**

- knowing, and
- voluntary, and
- clear permission
- by word or action
- to engage in sexual activity.

Individuals may experience the same interaction in different ways. Therefore, it is the responsibility of each party to determine that the other has consented before engaging in the activity.

If consent is not clearly provided prior to engaging in the activity, consent may be ratified by word or action at some point during the interaction or thereafter, but clear communication from the outset is strongly encouraged.

---

<sup>7</sup> While the State of Kansas does not specifically define Consent, Kansas law provides that a person commits a sex crime when a person knowingly engages in sexual intercourse and:

- 1) the victim is overcome by force or fear;
- 2) the victim is unconscious or physically powerless;
- 3) the victim is incapable of giving consent because of mental deficiency or disease, or because of the effect of any alcoholic liquor, narcotic, drug or other substance, which condition was known by the offender or was reasonably apparent to the offender;
- 4) the victim’s consent was obtained through a knowing misrepresentation that the sexual intercourse was a medically or therapeutically necessary procedure; or
- 5) the victim’s consent was obtained through a knowing misrepresentation made by the offender that the sexual intercourse was a legally required procedure within the scope of the offender’s authority. K.S.A. 21-5503.

Definitions used for criminal prosecutions for sex offenses in Kansas may differ from the definition used on campus to address policy violations.

For consent to be valid there must be a clear expression in words or actions that the other individual consented to that specific sexual conduct. Reasonable reciprocation can be implied. For example, if someone kisses you, you can kiss them back (if you want to) without the need to explicitly obtain *their* consent to being kissed back.

Consent can also be withdrawn once given, as long as the withdrawal is reasonably and clearly communicated. If consent is withdrawn, that sexual activity should cease within a reasonable time.

Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). A current or previous intimate relationship is not sufficient to constitute consent.

Proof of consent or non-consent is not a burden placed on either party involved in an incident. Instead, the burden remains on Bethel College to determine whether its policy has been violated. The existence of consent is based on the totality of the circumstances evaluated from the perspective of a reasonable person in the same or similar circumstances, including the context in which the alleged incident occurred and any similar, previous patterns that may be evidenced.

Consent in relationships must also be considered in context. When parties consent to BDSM<sup>8</sup> or other forms of kink, non-consent may be shown by the use of a safe word. Resistance, force, violence, or even saying “no” may be part of the kink and thus consensual, so Bethel College’s evaluation of communication in kink situations should be guided by reasonableness, rather than strict adherence to policy that assumes non-kink relationships as a default.

**Incapacitation:** A person cannot consent if they are unable to understand what is happening or is disoriented, helpless, asleep, or unconscious, for any reason, including by alcohol or other drugs. As stated above, a Respondent violates this policy if they engage in sexual activity with someone who is incapable of giving consent.

It is a defense to a sexual assault policy violation that the Respondent neither knew nor should have known the Complainant to be physically or mentally incapacitated. “Should have known” is an objective, reasonable person standard that assumes that a reasonable person is both sober and exercising sound judgment.

Incapacitation occurs when someone cannot make rational, reasonable decisions because they lack the capacity to give knowing/informed consent (e.g., to understand the “who, what, when, where, why, or how” of their sexual interaction).

Incapacitation is determined through consideration of all relevant indicators of an individual’s state and is not synonymous with intoxication, impairment, blackout, and/or being drunk.

This policy also covers a person whose incapacity results from a temporary or permanent physical or mental health condition, involuntary physical restraint, and/or the consumption of incapacitating drugs.

<sup>8</sup> Bondage, discipline/dominance, submission/sadism, and masochism.

## D. Other Civil Rights Offenses

In addition to the forms of sexual harassment described above, which are covered by Title IX, Bethel College additionally prohibits the following offenses as forms of discrimination that may be within or outside of Title IX when the act is based upon the Complainant's actual or perceived membership in a protected class.

- 1) Sexual Exploitation, defined as: taking non-consensual or abusive sexual advantage of another for their own benefit or for the benefit of anyone other than the person being exploited, and that conduct does not otherwise constitute sexual harassment under this policy. Examples of Sexual Exploitation include, but are not limited to:
  - Sexual voyeurism (such as observing or allowing others to observe a person undressing or using the bathroom or engaging in sexual acts, without the consent of the person being observed)
  - Invasion of sexual privacy.
  - Taking pictures, video, or audio recording of another in a sexual act, or in any other sexually-related activity when there is a reasonable expectation of privacy during the activity, without the consent of all involved in the activity, or exceeding the boundaries of consent (such as allowing another person to hide in a closet and observe sexual activity, or disseminating sexual pictures without the photographed person's consent), including the making or posting of revenge pornography
  - Prostituting another person
  - Engaging in sexual activity with another person while knowingly infected with human immunodeficiency virus (HIV) or a sexually-transmitted disease (STD) or infection (STI), without informing the other person of the infection
  - Causing or attempting to cause the incapacitation of another person (through alcohol, drugs, or any other means) for the purpose of compromising that person's ability to give consent to sexual activity, or for the purpose of making that person vulnerable to non-consensual sexual activity
  - Misappropriation of another person's identity on apps, websites, or other venues designed for dating or sexual connections
  - Forcing a person to take an action against that person's will by threatening to show, post, or share information, video, audio, or an image that depicts the person's nudity or sexual activity
  - Knowingly soliciting a minor for sexual activity
  - Engaging in sex trafficking
  - Creation, possession, or dissemination of child pornography
- 2) Threatening or causing physical harm, extreme verbal, emotional, or psychological abuse, or other conduct which threatens or endangers the health or safety of any person;
- 3) Discrimination, defined as actions that deprive, limit, or deny other members of the community of educational or employment access, benefits, or opportunities;
- 4) Intimidation, defined as implied threats or acts that cause an unreasonable fear of harm in another;

- 5) Hazing, defined as acts likely to cause physical or psychological harm or social ostracism to any person within the Bethel College community, when related to the admission, initiation, pledging, joining, or any other group-affiliation activity;<sup>9</sup>
- 6) Bullying, defined as:
  - repeated and/or severe
  - aggressive behavior
  - likely to intimidate or intentionally hurt, control, or diminish another person, physically and/or mentally
  - that is not speech or conduct otherwise protected by the First Amendment.<sup>10</sup>

Violation of any other Bethel College policies may constitute a Civil Rights Offense when a violation is motivated by actual or perceived membership in a protected class, and the result is a discriminatory limitation or denial of employment or educational access, benefits, or opportunities.

Sanctions for the above-listed Civil Rights Offenses range from reprimand through expulsion/termination.

#### E. Retaliation

Protected activity under the Equal Opportunity, Harassment, & Non-Discrimination Policy & Procedures includes reporting an incident that may implicate this policy, participating in the grievance process, supporting a Complainant or Respondent, assisting in providing information relevant to an investigation, and/or acting in good faith to oppose conduct that constitutes a violation of this policy.

Acts of alleged retaliation should be reported immediately to the Title IX Coordinator and will be promptly investigated. Bethel College will take all appropriate and available steps to protect individuals who fear that they may be subjected to retaliation.

Bethel College and any member of the Bethel College community are prohibited from taking or attempting to take materially adverse action by intimidating, threatening, coercing, harassing, or discriminating against any individual for the purpose of interfering with any right or privilege secured by law or policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy and procedure.

The exercise of rights protected under the First Amendment does not constitute retaliation.

---

<sup>9</sup> Hazing that is not based on actual or perceived membership in a protected class is prohibited by and may be addressed through the Bethel College Student Handbook and its corresponding provisions regarding Actions Against Members of the Community as well as state law (K.S.A. 21-5418).

<sup>10</sup> Bullying and cyber-bullying that is not based on actual or perceived membership in a protected class is prohibited by and may be addressed through the Bethel College Student Handbook and its corresponding provisions regarding Actions Against Members of the Community as well as state law (K.S.A. 72-8256).

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy and procedure does not constitute retaliation, provided that a determination regarding responsibility, alone, is not sufficient to conclude that any party has made a materially false statement in bad faith.

#### F. Campus Programming

Bethel College Student Life sponsors and organizes sexual violence and rape prevention programs on campus. This programming includes: defining sexual misconduct; promoting awareness of rape, acquaintance rape, and other sex offenses; sharing resources and contact information for supportive services; and gender equality.

### **THE STUDENT CONDUCT PROCESS**

If a report of alleged policy violation or breach of Bethel College community standards and/or policies occurs, the college responds via the Student Conduct process. This process uses educational, developmental and restorative methods to assist students through missteps in conduct in an effort to encourage choices that are in line with the mission of Bethel College and to help individuals reclaim their responsibility to the Bethel College community standards and policies.

It is important to note that throughout the Bethel College Student Conduct process, technical rules of evidence and procedures applicable to civil and criminal court cases do not apply. To find a student in violation of a Bethel College community standard and/or policy, including violations of the Equal Opportunity, Harassment, & Non-Discrimination Policy and Procedure; the standard is a preponderance of the evidence/information. Any and all relevant information may be considered.

All student conduct proceedings are closed, but Bethel College may audiotape any conduct proceeding. The student must obtain permission from the Vice President for Student Life to audiotape any conduct proceeding. Audiotapes made by the college may be listened to by the charged student, but not copied. The audiotape may be destroyed following the resolution of the violation.

Bethel College's Student Conduct process fosters personal growth through reflection, internal and external resolution of problems, and the pursuit of reconciliation where alienation has occurred. The following "Guiding Principles of Residence Life Restorative Processes" are considered throughout the Student Conduct process, and students are encouraged to consider these principles.

- Violations of Bethel College community standard and/or policy:
  - are offenses against relationships and can leave people who are victimized, offending persons, and other community members feeling unsafe, uncooperative, concerned, and disconnected.
  - can be used as opportunities for clarifying expectations, increasing respect, and restorative outcomes (restitution, grace, education, etc.).
- Restorative processes work to repair relationships as well as possible, and include attending to needs created by the offense and needs related to the cause of the offense.
- The primary person(s) victimized by a Bethel College community standard and/or policy violation is the one(s) most impacted by the offense, and other people might be victimized in a less direct manner.

- As soon as immediate safety concerns are resolved, restorative processes will focus on using the situation as a teachable moment for the offending person(s), to help the person(s) learn new ways of being in a community.
- Restorative processes will be initiated as soon as possible. Voluntary cooperation is requested with an offering of minimal coercion to encourage healing of relationships and new learning.
- Restorative processes will include offering a cooperative and supportive response to those most impacted by the violation and others who are impacted.
- Residence Life recognizes that not all offending person(s) will choose to be cooperative, and there is a need for an outside authority to make restorative and respectful decisions for someone who is not cooperative.
- Offending person(s) who are not cooperative will be encouraged to consider the impact of their actions on others, with an emphasis on community values, safety, ethics, and accountability and an invitation to become more cooperative with the community.
- Restorative processes require follow-up and accountability structures to use the strength of relationships in the community to build toward a more trusting and respectful community.
- Restorative processes recognize the importance of prevention efforts and responses consistent with community values, including the religious and spiritual orientation of the community.

*(adapted from “Restorative Justice primary focus on people, not procedures”; Ron Claassen, 1996)*

The following outlines the Bethel College Student Conduct process for most alleged violations of Bethel College community standards and/or policies. The college may alter this process as deemed necessary by the President of Bethel College or designee. Cases involving an alleged violation of Sexual Misconduct and/or Protected Class Discrimination and Harassment may require alterations to the standard Student Conduct process in order to comply with Federal or State regulations or to maintain the safety of members of the Bethel College community

## **1. EXECUTIVE PREROGATIVE**

A student may be temporarily suspended or relocated/removed from their residence hall assignment prior to the completion of the Student Conduct process if, in the judgment of the President, Vice President for Student Life or the Threat Assessment Team, the safety (physical, mental or emotional) of the student or a Bethel College community member could be endangered; or if the presence of the student would seriously disrupt the normal operations of the college. If this occurs, the appropriate Student Conduct process procedures will be initiated within five (5) college working days from the date of the immediate temporary suspension was issued. During the invocation of immediate temporary suspension, the student may no longer attend classes, use Bethel College services and/or resources, and may not be on campus unless taking part in the Student Conduct process until there has been a resolution of the incident. The student will need to approve and coordinate any returns to campus with the Vice President for Student Life.

## **2. PROCEDURE**

### **2.1. Initiating the Student Conduct Process**

- 2.1.1. An incident report is received by Bethel College Student Life from any source, including, but not limited to an individual, a residence hall official, a faculty member, or a law enforcement agency.
- 2.1.2. Upon receipt of a complaint or report, the Vice-President for Student Life (VPSL) or designee reviews the allegation to determine if the allegations/information supports an alleged violation of a Bethel College community standard and/or policy.

- 2.1.2.1. If the allegation/information DOES NOT SUPPORTS an alleged violation of a Bethel College community standard and/or policy, the report is placed in the student's file as information only. No further steps are taken, and the case is closed.
- 2.1.2.2. If the allegation/information SUPPORTS an alleged violation of a Bethel College community standard and/or policy, the report moves to processing and a Conduct Officer is assigned.
- 2.1.3. Notice is sent to the student who is the subject of the report or complaint.
  - 2.1.3.1. The notice is sent to the student's official Bethel College e-mail address
  - 2.1.3.2. Notice to the student will be considered furnished on the date e-mailed.
  - 2.1.3.3. The VPSL or designee reserves the right to provide notice via telephone if it is deemed necessary to expedite a fair resolution.
  - 2.1.3.4. The Student Conduct Notice shall include:
    - 2.1.3.4.1. A description of the alleged misconduct;
    - 2.1.3.4.2. The Bethel College community standard and/or policy that is alleged to have been violated;
    - 2.1.3.4.3. An explanation of the Student Conduct process; and
    - 2.1.3.4.4. The requirement and instructions on how to schedule a student conduct hearing with the VPSL or Conduct Officer (CO (a Student Life staff member)) require the student who is the subject to respond and set up a meeting with the VPSL or CO within 24 to 48 hours without exception.
      - 2.1.3.4.4.1. If a "no contact" order is detailed in the Student Conduct Notice, it is the responsibility of the student to refrain from any contact with the individual(s) named, directly or through third parties, or via electronic means as specified in this notice. Failure to comply with this order may result in additional allegations of violating Bethel College community standards and/or policies.

## 2.2. **The Student Conduct Hearing**

- 2.2.1. A Student Conduct Hearing is scheduled if the allegation/information SUPPORTS an alleged violation of a Bethel College community standard and/or policy. The VPSL or assigned CO will administer the Conduct Hearing. Student Conduct Hearings involving violations determined to be of a more severe level and/or alleged repeat conduct will be heard by the VPSL. The student(s) will be informed of the type of Conduct Hearing and appropriate options in their letter.
- 2.2.2. The VPSL or assigned CO will meet with the student to explain the conduct process, address questions or concerns, and allow the student an opportunity to respond to the allegations. The student may present or question the facts alleged to have occurred and address any additional circumstances or information.
  - 2.2.2.1. A student has the right to bring an \*adviser to the meeting, it is the student's obligation to select an adviser who is able to attend the meeting within the designated date and time. The VPSL or CO is not obligated to reschedule the meeting to accommodate advisers.
  - 2.2.2.2. If a student fails to attend or make arrangements to reschedule a hearing within the prescribed timeline outlined in the Student Conduct Notice, this hearing will take place in absentia, and the student will be responsible for completing any resulting outcomes.

## 2.3. **The Student Conduct Resolution**

- 2.3.1. Following a review of the evidence and hearing from the student, the VPSL or CO will issue a Student Conduct Resolution summarizing the Hearing, and outlining whether the student is responsible or not responsible for violating Bethel College community standards and/or policies.
  - 2.3.1.1. The VPSL or CO's overseeing the Conduct Resolution will consider:
    - 2.3.1.1.1. the allegation(s);

- 2.3.1.1.2. the student's response;
- 2.3.1.1.3. previous violations or allegations; and
- 2.3.1.1.4. other relevant evidence or information.
- 2.3.2. If the VPSL or CO determines the student is NOT responsible for a violation of Bethel College community standards and/or policies, the allegations are dismissed. The dismissal of charges is included with the original incident report/complaint and placed in the student's file for information purposes only.
- 2.3.3. If the VPSL or CO determines the student is responsible for a violation of Bethel College community standards and/or policies, the VPSL or CO will discuss and determine appropriate sanctions.
- 2.3.4. The student will be asked to sign a document informing them of the decision and the resulting sanctions.
  - 2.3.4.1. The student waives their right to an appeal by accepting this option, unless the outcome is a sanction of suspension or expulsion.

#### 2.4. **Sanctions**

Sanctions are the primary outcomes from Student Conduct Resolutions when students are found responsible for violating Bethel College community standards and/or policies. When considering the sanctions to impose, several factors may be considered. These may include, but are not limited to: prior incidents or allegations; the nature of the alleged violation; the severity of the impact (i.e. damage, injury or harm) resulting from the violation; the payment of restitution to Bethel College or to other victims; and/or the individual's acceptance of responsibility. Repeated violations of the same Bethel College community standards and/or policies may result in an increase of the severity of the outcomes.

- 2.4.1. All sanctions are effective immediately, regardless of an appeal.
- 2.4.2. If found responsible, the range of sanctions includes, but is not limited to, the following outcomes:
  - 2.4.2.1. **Administrative hold:** A status which precludes the student from registering, from receiving transcripts, or from graduating until clearance has been received from the Vice President for Student Life
  - 2.4.2.2. **Disciplinary Dismissal:** Dismissal results in separation from the college for an unspecified time. This action is subject to review by the president.
    - 2.4.2.2.1. If a person wishes to return to Bethel College following a dismissal, they are required to re-apply through the Admissions Committee and must be approved by the Vice President for Student Life.
    - 2.4.2.2.2. In some specific cases a review by the Threat Assessment Team may be necessary.
  - 2.4.2.3. **Disciplinary probation:** Probation is a designated time during which a student's conduct will be observed and reviewed. The student must demonstrate the ability to comply with Bethel College community standards and/or policies as well as requirements stipulated for the probationary period.
    - 2.4.2.3.1. Reports of misconduct during this period may result in additional sanctions, conditions, and/or restrictions.
  - 2.4.2.4. **Fines:** Dollar amounts charged to the student. This may be particularly appropriate if the misconduct requires extra work on the part of others. Minimum fine is \$50.
  - 2.4.2.5. **Formal apology:** Written letter of apology to person(s) offended or harmed.

- 2.4.2.6. **Notifications:** Notification of all student conduct action may be communicated to appropriate college personnel (e.g., academic adviser, athletic coach, performance area or activity sponsor, etc.).
  - 2.4.2.6.1. Violations of the Alcohol policy may result in notification to the parents and/or guardians of the dependent students under the age of 21.
  - 2.4.2.6.2. Violations of the Illegal/Illicit Substances policy will result in notification to the parents and/or guardians of the dependent student regardless of age.
- 2.4.2.7. **Referrals:** Evaluation, assessment and/or treatment options with an academic adviser, faculty/staff member, physician, mental health provider, or Director of Student Wellness. This also includes referrals for the assessment of alcohol, drug or other dependencies or addictions.
  - 2.4.2.7.1. The college has agreements with various community agencies for discounted services. However, the student may/will be financially responsible for assessments and ongoing treatment.
- 2.4.2.8. **Relocation:** Required move to a different room or residence hall and/or a revocation of the ability to live on campus and/or use the dining facility.
- 2.4.2.9. **Research and/or Reflection Paper:** A paper in which the student researches a topic related to the violation through literature and interviews, and/or addresses the meaning of his or her behavior in relation to the Bethel College community standards and/or policies.
- 2.4.2.10. **Restitution:** Making amends for harm (loss, damage, injury) caused by behavior via appropriate service; and/or monetary or material replacement; and/or monetary assessment owed to Bethel College.
- 2.4.2.11. **Restrictions:** A student's access to the Bethel College property, resources and/or services may be restricted for a specified period of time or until certain conditions are met.
- 2.4.2.12. **Suspension:** Suspension results in a temporary separation from the college and college activities. This action is subject to review by the President.
- 2.4.2.13. **Warning:** The student is apprised of the infraction and the consequences of following or not following the standards in the future.

## 2.5. The Appeal Process

- 2.5.1. A request for an appeal must...
  - 2.5.1.1. be submitted in writing to the VPSL.
  - 2.5.1.2. specify in detail the exact grounds for the appeal.
  - 2.5.1.3. be submitted within 72 hours of the notification of decision and (if applicable) sanction.
- 2.5.2. The VPSL reviews the appeal to determine if it meets ONE of the following criteria:
  - 2.5.2.1. Information, which might alter the original decision AND IS NEW OR WAS UNAVAILABLE, has been attained.
  - 2.5.2.2. Established procedures have been SUBSTANTIALLY violated. This includes substantiated bias on the part of the C O.
  - 2.5.2.3. Disproportionate (excessive or inconsistent) sanction(s) for the violated policy.
- 2.5.3. If the evidence/information presented in the request for an appeal does NOT support an appeal, the outcome is re-affirmed and case is closed.
- 2.5.4. If the evidence/information presented in the request for an appeal supports an appeal, one of the following occurs:
  - 2.5.4.1. The case is reassigned and follows the steps as outlined in the Student Conduct Process.
  - 2.5.4.2. The decision is either upheld or a new resolution is determined.
    - 2.5.4.2.1. The decision is final and case is closed.

- 2.5.4.3. A new hearing body (another person outside of the VPSL or CO, designed to serve the college in a similar manner like the Threat Assessment Team) is convened and follows the steps as outlined in the Student Conduct Process.
  - 2.5.4.3.1. The decision of the new hearing body may not be appealed.
  - 2.5.4.3.2. The decision is final and case is closed.
- 2.5.4.4. VPSL or designee determines the sanctions are disproportionate and may increase, decrease, or modify.
  - 2.5.4.4.1. The decision is final and case is closed.

### **3. PRESIDENTIAL AUTHORITY**

Because ultimate responsibility for the welfare of the college resides in the President of the college acting on behalf of its Board of Directors, the president shall have the authority to act independent of the judicial structure to impose disciplinary action including suspension or dismissal, if such action, in the President's judgment, promotes the welfare of the college. The President takes final action on a recommendation for suspension or dismissal after the appeal procedures have been exhausted. A decision issued by the President is final and cannot be appealed.

### **4. STUDENT CONDUCT RECORDS**

All Student Conduct records are maintained by the Student Life office, and are typically kept no longer than five (5) years after a student leaves the college via graduation, transfer, withdrawal or dismissal.

### **5. CIVIL AUTHORITIES**

Any action which constitutes violations of public law may be referred to both the Bethel College Student Conduct process and appropriate law enforcement officials.

### **6. ROOM ENTRY AND COLLEGE PROPERTY ENTRY**

Bethel College respects the privacy of individuals, and wants all students, faculty, and staff to feel welcome on campus. However, as a private institution of higher learning, Bethel College reserves the right to search student living areas and other areas of campus as needed to protect the interests of the college and the safety of the community. Authorized personnel may enter student rooms or other areas of campus to conduct a "check" or "search" as outlined below. Areas subject to room/property checks and room/property searches include, but are not limited to: student living spaces, rooms on campus, lockers, vehicles, and other areas on Bethel College's physical campus.

- 6.1. When on college sponsored trips, Bethel College students are also subject to checks and searches as deemed appropriate by the Bethel College adviser/staff member accompanying the group.
- 6.2. If immediate action is deemed necessary by Bethel College administration, law-enforcement or other life-safety agents, to protect public or individual health and/or safety, the outlined processes may be amended.

#### ***6.3. Room/Property Check***

- 6.3.1. A room/property check is when a Bethel College maintenance staff member and/or Student Life staff (student and professional staff) member enters the space in the event of a mechanical, electrical or plumbing malfunction or inspection; during breaks in the academic calendar; during emergency or potential emergency situations; or for periodic safety checks throughout the academic year.
- 6.3.2. Specific allegations/suspicions of Bethel College community standards and/or policy violations (pets, weapons, smoke) may also prompt entry, as well as requests from local law enforcement or other life-safety agents.

- 6.3.3. Personal belongings, with the exception of refrigerators, will not be checked. Closets or lockers may be checked, but not searched.
- 6.3.4. Authorized personnel will announce who they are before entering a student's living space.
- 6.3.5. If a violation of Bethel College community standards and/or policy is discovered in the course of a room/property check, the staff person shall refer the incident for action as outlined in the Bethel College Student Conduct process.
- 6.3.6. A room or property "search" may follow.
- 6.3.7. Any person(s) documented for violating a Bethel College community standards and/or policy will be notified within five (5) college business days if the person making a room check has discovered a violation.

#### **6.4. Room/Property Search**

- 6.4.1. A room/property search encompasses a room/property check (as outlined above), but is more extensive as it includes, but is not limited to, a search of personal belongings.
- 6.4.2. Before a room/property search can be conducted, a Search Order must be issued by the Vice President for Student Life (or designee).
- 6.4.3. The Search Order
  - 6.4.3.1. Issued in response to a documented report of a violation of Bethel College community standards and/or policy. This statement reporting a violation will be:
    - 6.4.3.1.1. Signed by the person alleging that a violation has occurred or is occurring; or
    - 6.4.3.1.2. Signed by a college staff member (including Community Assistants) who has received a report from a dependable source that a violation has or is occurring.
    - 6.4.3.1.3. The Search Order must:
      - 6.4.3.1.3.1. indicate the room, or other area(s) to be searched;
      - 6.4.3.1.3.2. indicate the Bethel College community standards and/or policy allegedly violated;
      - 6.4.3.1.3.3. include the date of issuance and be signed by the Vice-President for Student Life (or designee);
      - 6.4.3.1.3.4. be issued within five (5) college business days of receipt of the written report
  - 6.4.3.2. During a room/property search:
    - 6.4.3.2.1. The search must be conducted by at least two (2) Bethel College staff members.
    - 6.4.3.2.2. Depending on the nature of the request, a law-enforcement or other life-safety agent may be included in the search.
    - 6.4.3.2.3. A copy of the Search Order will be given to the occupant or occupants.
      - 6.4.3.2.3.1. If an occupant of the room/property is not present, a copy of the Search Order will be left in the room/property or delivered to the person(s) reportedly involved or responsible for the space.
    - 6.4.3.2.4. Any item(s) removed from the searched area should be documented and a detailed, itemized description of the item(s) should be provided to the occupant.
  - 6.4.3.3. Following a room/property search:
    - 6.4.3.3.1. A written search report should be filed with the VPSL.
    - 6.4.3.3.2. A written search report should be provided to the occupant(s) involved or responsible for the space.
    - 6.4.3.3.3. If alleged violations of Bethel College community standards and/or policy are discovered the student(s) enter the Student Conduct process.

6.4.3.3.4. The written search report and any and all confiscated items may be referenced during the Bethel College Student Conduct process.

6.4.3.3.5.

## **REPORTING AND RESPONSE TO HARASSMENT, DISCRIMINATION, & SEXUAL MISCONDUCT**

The following information is taken from the Bethel College Equal Opportunity, Harassment, & Non-Discrimination Policy and Procedures. For further information, resources, and rights and options regarding harassment, discrimination, and sexual misconduct, please visit the Bethel College website.

### **1. MANDATED REPORTING**

All Bethel College employees (faculty, staff, and administrators) are expected to report actual or suspected discrimination or harassment to appropriate officials immediately, though there are some limited exceptions. However, most students-employees, meaning students who are employed by Bethel College in a part-time capacity while remaining actively enrolled in courses with Bethel College, are exempt from Mandated Reporting obligations. Only those students employed as Community Assistant (CAs) have been designated as Mandated Reporters and are therefore expected to report actual or suspected discrimination or harassment.

In order to make informed choices, it is important to be aware of confidentiality and mandatory reporting requirements when consulting campus resources. On campus, some resources may maintain confidentiality and are not required to report actual or suspected discrimination or harassment. They may offer options and resources without any obligation to inform an outside agency or campus official unless a Complainant has requested the information be shared.

If a Complainant expects formal action in response to their allegations, reporting to any Mandated Reporter can connect them with resources to report crimes and/or policy violations, and these employees will immediately pass reports to the Title IX Coordinator (and/or police, if desired by the Complainant), who will take action when an incident is reported to them.

The following sections describe the reporting options at Bethel College for a Complainant or third-party (including parents/guardians when appropriate):

#### **A. Confidential Resources**

If a Complainant would like the details of an incident to be kept confidential, the Complainant may speak with:

- On-campus licensed professional counselors
- On-campus health service providers and staff
- On-campus members of the clergy/chaplains working within the scope of their licensure or
- Off-campus (non-employees):
  - Licensed professional counselors and other medical providers
  - Local rape crisis counselors
  - Domestic violence resources
  - Local or state assistance agencies

- Clergy/Chaplains
- Attorneys

All of the above-listed individuals will maintain confidentiality when acting under the scope of their licensure, professional ethics, and/or professional credentials, except in extreme cases of immediacy of threat or danger or abuse of a minor/elder/individual with a disability, or when required to disclose by law or court order.

Campus counselors and/or the Employee Assistance Program are available to help free of charge and may be consulted on an emergency basis during normal business hours.

Employees who are confidential and who receive reports within the scope of their confidential roles will timely submit anonymous statistical information for Clery Act compliance purposes unless they believe it would be harmful to their client, patient, or parishioner.

## **B. Anonymous Notice to Mandated Reporters**

At the request of a Complainant, notice may be given by a Mandated Reporter to the Title IX Coordinator anonymously, without identification of the Complainant. The Mandated Reporter cannot remain anonymous themselves.

If a Complainant has requested that a Mandated Reporter maintain the Complainant's anonymity, the Mandated Reporter may do so unless it is reasonable to believe that a compelling threat to health or safety could exist. The Mandated Reporter can consult with the Title IX Coordinator on that assessment without revealing personally identifiable information.

Anonymous notice will be investigated by Bethel College to the extent possible, both to assess the underlying allegation(s) and to determine if supportive measures or remedies can be provided. However, anonymous notice typically limits the Bethel College's ability to investigate, respond, and provide remedies, depending on what information is shared.

When a Complainant has made a request for anonymity, the Complainant's personally identifiable information may be withheld by a Mandated Reporter, but all other details must be shared with the Title IX Coordinator. Mandated reporters may not be able to maintain requests for anonymity for Complainants who are minors, elderly, and/or disabled, depending on state reporting of abuse requirements.

## **C. Mandated Reporters and Formal Notice/Complaints**

All employees of Bethel College (including student-employees employed as Community Assistants (CAs)), with the exception of those who are designated as Confidential Resources, are Mandated Reporters and must promptly share with the Title IX Coordinator all known details of a report made to them in the course of their employment.

Employees must also promptly share all details of behaviors under this policy that they observe or have knowledge of, even if not reported to them by a Complainant or third-party.

Complainants may want to carefully consider whether they share personally identifiable details with non-confidential Mandated Reporters, as those details must be shared with the Title IX Coordinator.

Generally, disclosures in climate surveys, classroom writing assignments or discussions, human subjects research, or at events such as “Take Back the Night” marches or speak-outs do not provide notice that must be reported to the Title IX Coordinator by employees, unless the Complainant clearly indicates that they desire a report to be made or a seek a specific response from Bethel College.

Supportive measures may be offered as the result of such disclosures without formal Bethel College action.

Failure of a Mandated Reporter, as described above in this section, to report an incident of harassment or discrimination of which they become aware is a violation of Bethel College policy and can be subject to disciplinary action for failure to comply.

Though this may seem obvious, when a Mandated Reporter is engaged in harassment or other violations of this policy, they still have a duty to report their own misconduct, though Bethel College is technically not on notice when a harasser is also a Mandated Reporter unless the harasser does in fact report themselves.

Finally, it is important to clarify that a Mandated Reporter who is themselves a target of harassment or other misconduct under this policy is not required to report their own experience, though they are, of course, encouraged to do so.

## 2. **WHEN A COMPLAINANT DOES NOT WISH TO PROCEED**

If a Complainant does not wish for their name to be shared, does not wish for an investigation to take place, or does not want a formal complaint to be pursued, they may make such a request to the Title IX Coordinator, who will evaluate that request in light of the duty to ensure the safety of the campus and to comply with state or federal law.

The Title IX Coordinator has ultimate discretion over whether Bethel College proceeds when the Complainant does not wish to do so, and the Title IX Coordinator may sign a formal complaint to initiate a grievance process upon completion of an appropriate threat (or violence) risk assessment.

The Title IX Coordinator’s decision should be based on results of the threat (or violence) risk assessment that show a compelling risk to health and/or safety that requires Bethel College to pursue formal action to protect the community.

A compelling risk to health and/or safety may result from evidence of patterns of misconduct, predatory conduct, threats, abuse of minors, use of weapons, and/or violence. Bethel Colleges may be compelled to act on alleged employee misconduct irrespective of a Complainant’s wishes.

The Title IX Coordinator must also consider the effect that non-participation by the Complainant may have on the availability of evidence and Bethel College’s ability to pursue a Formal Grievance Process fairly and effectively.

When the Title IX Coordinator executes the written complaint, they do not become the Complainant. The Complainant is the individual who is alleged to be the victim of conduct that could constitute a violation of this policy.

When Bethel College proceeds, the Complainant (or their Advisor) may have as much or as little involvement in the process as they wish. The Complainant retains all rights of a Complainant under this Policy irrespective of their level of participation. Typically, when the Complainant chooses not to participate, the Advisor may be appointed as proxy for the Complainant throughout the process, acting to ensure and protect the rights of the Complainant, though this does not extend to the provision of evidence or testimony.

Note that Bethel College's ability to remedy and respond to notice may be limited if the Complainant does not want Bethel College to proceed with an investigation and/or grievance process. The goal is to provide the Complainant with as much control over the process as possible, while balancing Bethel College's obligation to protect its community.

In cases in which the Complainant requests confidentiality/no formal action and the circumstances allow Bethel College to honor that request, Bethel College will offer informal resolution options (see below), supportive measures, and remedies to the Complainant and the community, but will not otherwise pursue formal action.

If the Complainant elects to take no action, they can change that decision if they decide to pursue a formal complaint at a later date. Upon making a formal complaint, a Complainant has the right, and can expect, to have allegations taken seriously by Bethel College, and to have the incidents investigated and properly resolved through these procedures. Please consider that delays may cause limitations on access to evidence, or present issues with respect to the status of the parties.

### 3. **FEDERAL TIMELY WARNING OBLIGATIONS**

Parties reporting sexual assault, domestic violence, dating violence, and/or stalking should be aware that under the Clery Act, Bethel College must issue timely warnings for incidents reported to them that pose a serious or continuing threat of bodily harm or danger to members of the campus community.

Bethel College will ensure that a Complainant's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the potential danger.

### 4. **FALSE ALLEGATIONS & EVIDENCE**

Deliberately false and/or malicious accusations under this policy are a serious offense and will be subject to appropriate disciplinary action. This does not include allegations that are made in good faith but are ultimately shown to be erroneous or do not result in a policy violation determination.

Additionally, witnesses and parties knowingly providing false evidence, tampering with or destroying evidence, or deliberately misleading an official conducting an investigation can be subject to discipline under Bethel College policy.

## 5. **AMNESTY FOR COMPLAINANTS & WITNESSES**

Bethel College encourages the reporting of misconduct and crimes by Complainants and witnesses. Sometimes, Complainants or witnesses are hesitant to report to Bethel College officials or participate in grievance processes because they fear that they themselves may be in violation of certain policies, such as underage drinking or use of illicit drugs at the time of the incident. Respondents may hesitate to be forthcoming during the process for the same reasons.

It is in the best interests of Bethel College community that Complainants choose to report misconduct to Bethel College officials, that witnesses come forward to share what they know, and that all parties be forthcoming during the process.

To encourage reporting and participation in the process, Bethel College maintains a policy of offering parties and witnesses' amnesty from minor policy violations – such as underage consumption of alcohol or the use of illicit drugs – related to the incident. Bethel College is committed to protecting individuals from interference with making a good faith disclosure and from retaliation for having made a good faith disclosure or for having refused to follow an illegal instruction, as defined and detailed in the Bethel College Whistleblower Policy.

Amnesty does not apply to more serious allegations such as physical abuse of another or illicit drug distribution. The decision not to offer amnesty is based on neither sex nor gender, but on the fact that collateral misconduct is typically addressed for all students within a progressive discipline system, and the rationale for amnesty – the incentive to report serious misconduct – is rarely applicable to Respondent with respect to a Complainant.

### **A. Students**

Sometimes, students are hesitant to assist others for fear that they may get in trouble themselves (for example, an underage student who has been drinking or using marijuana might hesitate to help take an individual who has experienced sexual assault to the appropriate campus official).

Bethel College maintains a policy of amnesty for students who offer help to others in need. Although policy violations cannot be overlooked, the Bethel College may provide purely educational options with no official disciplinary finding, rather than punitive sanctions, to those who offer their assistance to others in need.

### **B. Employees**

Sometimes, employees are hesitant to report harassment or discrimination they have experienced for fear that they may get in trouble themselves. For example, an employee who has violated the

unethical relationship provisions of this policy and is then assaulted in the course of that relationship might hesitate to report the incident to Bethel College officials.

Bethel College may, at its discretion, offer employee Complainants amnesty from such policy violations (typically more minor policy violations) related to the incident. Amnesty may also be granted to Respondents and witnesses on a case-by-case basis.

## 6. **FEDERAL STATISTICAL REPORTING OBLIGATIONS**

Certain campus officials – those deemed Campus Security Authorities (CSAs) – have a duty to report the following for federal statistical reporting purposes in accordance with the Clery Act:

- All “primary crimes,” which include homicide, sexual assault, robbery, aggravated assault, burglary, motor vehicle theft, and arson;
- Hate crimes, which include any bias-motivated primary crime as well as any bias motivated larceny or theft, simple assault, intimidation, or destruction/damage/vandalism of property;
- VAWA-based crimes,<sup>11</sup> which include sexual assault, domestic violence, dating violence, and stalking; and
- Arrests and referrals for disciplinary action for weapons-related law violations, liquor-related law violations, and drug abuse-related law violations.

All personally identifiable information is kept private, but statistical information must be shared with the Vice President of Student Life and Dean of Students regarding the type of incident and its general location (on or off-campus or in the surrounding area, but no addresses are given) for publication in the Annual Security Report and daily campus crime log (if applicable).

Campus Security Authorities (CSAs) may include but are not limited to: The College President, members of the Board of Directors, vice presidents, student life staff, Community Assistants (CAs), athletic directors, coaches, human resources staff, faculty/staff advisors to student organizations, and any other official with significant responsibility for student and campus activities.

## 7. **PRESERVATION OF EVIDENCE**

The preservation of evidence in incidents of sexual assault is critical to potential criminal prosecution and to obtaining restraining orders, and particularly time-sensitive. Bethel College will inform the Complainant of the importance of preserving evidence by taking the following actions:

- 1) Seek forensic medical assistance at the [specify] hospital, ideally within 120 hours of the incident (sooner is better)
- 2) Avoid showering, bathing, washing hands or face, or douching, if possible, but evidence may still be collected even if you do.
- 3) Try not to urinate.
- 4) If oral sexual contact took place, refrain from smoking, eating, drinking, or brushing teeth.
- 5) If clothes are changed, place soiled clothes in a paper bag (plastic destroys evidence).

---

<sup>11</sup> VAWA is the Violence Against Women Act, enacted in 1994 codified in part at 42 U.S.C. sections 13701 through 14040.

- 6) Seeking medical treatment can be essential even if it is not for the purposes of collecting forensic evidence.

During the initial meeting between the Complainant and the Title IX Coordinator, the importance of taking these actions will be reiterated, if timely.

Bethel College ensures all residence hall rooms are free of pests prior to student move-in each year.
  - 4.2.1. If pests are found in a room after students move in, the student(s) residing in that room may be required to reimburse Bethel College for any costs associated with removal.

9.2.2. a roommate assigned to the room, or

9.2.3. remaining in the space at the single-room rate charge

9.2.3.1. A single room (one person occupying a double-occupancy space) is approximately 50% more than the double rate.

9.2.3.2. A single room (one person occupying a double-occupancy space) is dependent upon availability.

## **10. BETHEL COLLEGE COMMUNITY STANDARDS & POLICIES**

All students are responsible for knowing, understanding, maintaining, and following all Bethel College community standards and policies.

11.2. Space is limited in cases of large furniture items such as couches, carpet, chairs, futon, etc.

11.3. All items must be:

11.3.1. contained in boxes, suitcases, etc.,

11.3.2. clearly labeled

11.3.3. placed in defined spaces of the storage area

11.4. Property placed in designated storage through appropriate Residence Life staff will remain in storage for the student's possession until the first Friday of the following semester.

11.5. Bethel College is not responsible for damage or theft of stored items.

11.6. See #7 and #7.1

## **12. TERMINATION OF RESIDENTIAL STATUS**

The college may take possession of the room at any time if full-time enrollment is not maintained, for violation of any of the guidelines or procedures herein, for violation of Bethel College community standards or policies, for health or social reasons, or for any other reason deemed sufficient by Bethel College.

12.1. The college is under no obligation to make refunds to students who are removed or reassigned from their housing assignment as a result of the student conduct process.

12.2. Part-time students with federal/state aid do not qualify for any refunds.

# FINANCIAL AID POLICIES

Bethel College students must maintain Satisfactory Academic Progress (SAP) standards to remain eligible for financial aid. For purposes of this determination, the following definitions and policies apply. Individual scholarships may have additional requirements for renewal.

## **1. MAXIMUM TIME FRAME TO COMPLETE AN UNDERGRADUATE DEGREE**

The time frame, (the Department of Education refers to it as “PACE”) for completion of an undergraduate program cannot exceed 150% of the published program length. The minimum number of credit hours required to graduate from Bethel is 124. Therefore, students who have attempted fewer than 186 hours of college credit, either here or elsewhere, are eligible to apply for financial aid. Withdrawals (WP or WF), incompletes, failures, courses at non-accredited institutions, or non-college level remedial courses not reflected on official BC transcripts, will not be counted toward the determination of the 186 hours attempted.

## **2. MINIMUM COURSE COMPLETION RATES AND GPA**

Students are required to pass or satisfactorily complete (not withdraw from) a minimum of 67% of the courses taken (PACE), with a grade point average (GPA) above the published academic suspension level. The current levels are 1.4 for freshmen and 1.6 for sophomores.

2.1. Federal regulations require students who have attempted 48 credit hours to maintain a minimum of a 2.0 cumulative GPA.

## **3. EVALUATION TIMING AND INTERVALS**

Evaluation of this standard is made every semester. The completion rate is based on classes taken during the previous semester, as well as credit hours attempted and GPA. The evaluation of course completion will relate only to courses taken at Bethel, however hours attempted and cumulative GPA will include all hours attempted or transferred to Bethel as shown on the official Bethel transcript.

3.1. Interterm can be part of the fall semester.

3.2. Summer can be part of spring semester.

## **4. FINANCIAL AID WARNING**

Students failing to meet the 67% completion rate, or the 1.4 GPA level as a freshman, 1.6 GPA level as a sophomore, 2.0 GPA rate as a junior or senior are placed on Financial Aid Warning for the following term. They will be notified in writing. A student on Financial Aid Warning is eligible to receive aid for the next term. If the student fails to meet the PACE and GPA levels needed, the student will be placed on Financial Aid Suspension status for the next term. If the student successfully completes at least 67% of the courses taken and increases their GPA above the 1.4, 1.6, or 2.0 thresholds, then the student would be back in good standing and would continue to be eligible for financial aid for the next term.

## **5. FINANCIAL AID SUSPENSION**

Students who are on Financial Aid Warning who fail to complete the PACE needed and/or the GPA needed for reinstatement will be placed on Financial Aid Suspension. Also, students who have attempted more than 186 hours of college credit will be placed on Financial Aid Suspension. Students on suspension are not eligible for financial aid. If subsequent coursework of at least 6 hours enables them to meet the required SAP, their financial aid eligibilities will be reinstated.

## **6. APPEAL PROCEDURE**

Students may appeal either warning or suspension status by writing to the financial aid director listing reasons why they did not achieve satisfactory academic progress as defined herein. Reasons may include but are not limited to: illness; death in the family; other unusual circumstances; or by listing coursework completed successfully in summer term or interterm following the initial determination of warning status. Students on suspension due to the 186-hour limit may appeal if their course work attempted while at Bethel has not exceeded the 150% of the minimum hours needed to complete their degree objective. The financial aid director will respond to the appeal in writing. A student may appeal the decision of the financial aid director by writing to the Admissions and Financial Aid Committee.

5.1. If the appeal is approved, students will be placed on Financial Aid Probation for one semester. Students on probation are eligible for aid, but must make SAP to receive aid beyond one semester. At the end of the semester, an evaluation will be made to determine if the student has met the SAP as reflected in GPA and PACE. If SAP is met, then the student is back on normal status. If the SAP is not met, the aid is suspended.

## **7. ACADEMIC PLAN**

If a student has done so poorly that it would be impossible to meet SAP in one semester, the student may ask for and be allowed to work up an Academic Plan (PLAN). The PLAN must be completed with the student's academic advisor and signed by the advisor, the student and the director of financial aid. The PLAN must indicate the PACE and GPA that is the target goal for the semester and to get the student back to SAP. At the end of the semester, the financial aid office will determine if the PLAN was followed and SAP was met. If successful, normal status will return. If not successful, aid will be suspended.

# **PRIVACY/DISCLOSURE OF STUDENT RECORDS**

The Family Educational Rights and Privacy Act of 1974 (FERPA) is a Federal law which provides that the institution will maintain the confidentiality of student education records.

1. Bethel College accords all the rights under the law to students of the college. No one outside the institution shall have access to nor will the institution disclose any information from students' education records without the prior written consent of the student(s) except to 1) parents of dependent students, 2) personnel within the institution who have a legitimate education interest, 3) persons or organizations providing students' financial aid, 4) accrediting agencies carrying out their accreditation function, 5) persons in compliance with a judicial order, 6) persons in an emergency in order to protect the health and safety of students or other persons. All these exceptions are permitted under the Act.
2. Within the Bethel College community, only those members, individually or collectively, acting in the student's educational interest is allowed access to student education records. These members include personnel in the Office of Admissions, Office of the Registrar, Business Office, ACCK Computer Center, Financial Aid Office, library, career planning and placement, college officials and other administrative and academic personnel within the limitation of their need to know. Social security number and student status data may be provided to other state agencies for use in detection of fraudulent or illegal claims against state monies.

At its discretion, Bethel College may provide "Directory Information" to anyone in accordance with the provisions of the Act.

## **FERPA Annual Notice to Reflect Possible Federal and State Data Collection and Use**

As of January 3, 2012, the U.S. Department of Education's FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records — including your Social Security Number, grades, or other private information — may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities ("Federal and State Authorities") may allow access to your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program that is "principally engaged in the provision of education," such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

## COMMUNITY SAFETY

### STORM PROCEDURES

Severe weather can create a tornado. There are two commonly accepted terms for tracking tornado-type weather. These terms are as follows:

- Tornado Watch – weather conditions indicate the possibility of one or more tornadoes forming in the area. Continue normal activity, but listen to the radio and watch for tornadoes!
- Tornado Warning – a tornado has been sighted or detected and may be approaching. Seek shelter immediately!

North Newton has an outdoor warning system. This warning consists of a voice message followed by a 5-minute siren. This system is tested quarterly.

### WHEN A WARNING IS SOUNDED

1. Take shelter immediately, preferably inside steel-framed or reinforced concrete buildings. It is best to seek shelter in the center of the building under a support beam or in a small room such as a bathroom or closet. Stay away from areas with windows.
2. In classrooms, office buildings, and residence halls, stand in an interior hallway on a lower floor, preferably in a basement.
3. In shopping centers, theaters, or gymnasiums, move to a hallway away from wide, free-spanned roofs or large glass windows.
4. In homes or rooms, get to the lowest level and take shelter under a workbench or heavy table, go to a small windowless room in the center of the building, or stay under heavy furniture.
