

Missing Person Policy

This policy was established in compliance with the Higher Education Opportunity Act of 2008, to provide students with procedures and information for reporting a missing person. The policy applies specifically to residential students.

Definitions

- Residential Student: a student who resides in on-campus housing under a housing contract/lease and is currently enrolled at the College.
- Missing: A residential student may be considered missing if she or he is overdue in reaching home, campus or another specific location past the expected arrival, additional factors lead College staff to believe he or she is missing, and a check of the student's residence hall assignment supports that determination.

Confidential Contact Person

Residential students who are 18 years of age or older or who are emancipated minors have the option, upon moving into the residence hall, to identify a specific contact person who will be notified within 24 hours if that student has been reported missing. The identity of that contact person will remain confidential with the exception of law enforcement and staff designated to respond to missing person reports.

For residential students under the age of 18 and not emancipated, the College is required to notify a custodial parent or guardian within 24 hours of the time a student is reported missing.

Notification Procedures for Missing Persons

If a residential student is believed to be missing, a report should be made to one of the following:

- Residence Hall Director
- North Newton Police Department

When reporting a missing person, be prepared to provide the following information:

- Your name & contact information
- Name of missing student
- Any/all contact information for the student
- Time & date last seen
- Location last seen

- Last known destination
- Names of acquaintances
- Any additional information that may be important in helping to locate the missing person

When a report is made to the residence hall staff, North Newton Police Department will be contacted immediately and cooperative efforts will be made. Cooperative efforts may include:

- Welfare check of the missing student's residence hall room
- Contact attempts via cell phone, e-mail, social media, or other means
- Identification of and contact with other individuals who may have knowledge of the missing student's whereabouts

North Newton Police Department will gather all essential information related to the missing student and conduct a thorough investigation. No later than 24 hours after the missing person report is first received, North Newton Police Department, in conjunction with Student Affairs personnel, will notify the student's designated contact or (for persons under 18 years of age and not emancipated) the student's parent or guardian to inform them that the resident student is believed to be missing.

Regardless of the student's age, emancipation status or whether the student has designated a contact person, Student Life will, within 24 hours of the report, notify the local law enforcement agency with jurisdiction in the area where the student is missing.

All inquiries by the media or the general public regarding missing persons will be referred to Marketing Communication. All public statements will be coordinated through that office.

Notification Procedures for Missing Persons Living off Campus

Upon notification from any person that a Bethel College student may be missing, the college staff member receiving the information should refer the matter immediately to North Newton Police Department at 911.

If a student is not located, the Student Life will file a Missing Person's Report with the state of Kansas and contact any emergency contact persons listed. This information would be disseminated through Bethel College's emergency response system. North Newton Police Department will continue an open investigation and advise other local law enforcement.
